AN ZHAO PRESENTS

PANDA!

DIRECT FROM BEIJING, PANDA! IS THE ULTIMATE LIVE THEATER EXPERIENCE

PANDA! features edge-of-your-seat excitement you have to see to believe, all set to stirring music, beautiful dance and amazing choreography. A new spin on a timeless tale, this one-of-a-kind production artfully mixes traditional Chinese themes with unprecedented theatrical effects, making it the most high-tech production on the Las Vegas Strip.

If you were awestruck by the opening ceremonies of the Beijing Olympics, this show is for you. In an equally stunning spectacle, PANDA! further redefines the boundaries of live entertainment, with the high-flying acrobatics of the China National Acrobatic Troupe and sensational martial-art masters from the Shaolin Temple.
