## Pre-Registration

**Pre-registration:** Students will begin pre-slugging their personal information into the ACT answer document. Students will begin this process on campus in their homeroom class April 13th—17th. The state of Nevada has submitted a pre-ID file, but additional information will need to be added to this sensitive answer document.

QUESTIONS?

# ACT<sup>®</sup>

**improving  
college and  
career  
readiness  
and success  
for everyone**

Testing: April  
28th, 2014

# College & Career Readiness Campaign

## Testing Day/Time/Location

**ALL ODYSSEY JUNIORS** will participate on:  
Tuesday April 28<sup>th</sup>

8:00am **TESTING BEGINS:** Late students will not be allowed to enter

7:15 a breakfast will be served

## Graduation Requirement!

Beginning with the class of 2016, students graduating in the state of Nevada will be required to participate in the April admission of the ACT as a graduation requirement. Students who do not participate will NOT be eligible for a standard diploma. As certain score is not required at this time, but participation is.

## How do I get ready for test day?

The best preparation for the ACT is taking a solid high school program—courses in English, math, science, and social studies—and taking your schoolwork seriously. It's also true that your attitudes, emotions, and physical state may influence your performance. So start preparing early

## Can I use a calculator? YES!!!!

The ACT calculator policy is designed to ensure fairness for all examinees, avoid disturbances in the testing room, and protect the security of the test materials.

The ACT calculator policy is designed to ensure fairness for all examinees, avoid disturbances in the testing room, and protect the security of the test materials.

A permitted calculator may be used on the ACT Mathematics Test only. **It is the examinee's responsibility** to know whether their calculator is permitted.

Accessible calculators (such as audio/"talking," or Braille calculators) may be allowed under the [accessibility policies](#) for the ACT.

The following types of calculators are prohibited:

Calculators with built-in or downloaded [computer algebra system functionality](#)

*Prohibited calculators in this category include:*

### Texas Instruments:

All model numbers that begin with TI-89 or TI-92

TI-Nspire CAS—Note: The TI-Nspire (non-CAS) is permitted.

### Hewlett-Packard:

HP Prime

HP 48GII

All model numbers that begin with HP 40G, HP 49G, or HP 50G

### Casio:

fx-CP400 (ClassPad 400)

ClassPad 300

ClassPad 330

Algebra fx 2.0

All model numbers that begin with CFX-9970G

Handheld, tablet, or laptop computers, including PDAs

Electronic writing pads or pen-input devices—Note: The Sharp EL 9600 is permitted.

Calculators built into cell phones or any other electronic communication devices

Calculators with a typewriter keypad (letter keys in QWERTY format)—

Note: Letter keys *not* in QWERTY format are permitted.

The following types of calculators are **permitted, but only after they are modified as noted:**

Calculators that can hold programs or documents—remove all docu-

ments and remove all programs that have computer algebra system functionality.

Calculators with paper tape—Remove the tape.

Calculators that make noise—Turn off the sound.

Calculators with an infrared data port—Completely cover the infrared data port with heavy opaque material such as duct tape or electrician's tape (includes Hewlett-Packard HP 38G series, HP 39G series, and HP 48G).

Calculators that have power cords—Remove all power/electrical cords.

## The ACT multiple-choice tests are based on what you're learning.

The ACT is not an aptitude or an IQ test. The test questions on the ACT are directly related to what you have learned in your high school courses in English, mathematics, reading, and science. Every day you attend class you are preparing for the ACT. The harder you work in school, the more prepared you will be for the test.
