

Welcome to Odyssey Charter School's 2015 Summer School program! Parents, our counselors have recommended that your student enroll in summer school this year. Please read the important information below; if you want your student to attend summer school, sign in the box below.

Summer School is an opportunity for students to work ahead or retrieve credits at Odyssey Charter High School. This program is intended for students to work closely with teachers to accumulate credits. Licensed staff will be available in the classrooms to assist students with their assignments.

Attendance Policy:

Summer School is a face-to-face and work-from-home program where attendance in six weeks of class is **mandatory**. Odyssey would like to stress the importance of in-class attendance to achieve credit for these classes. **There is no difference between "excused" and "unexcused" absences in this program. Students are allowed ONE make up day for the entire six-week program. All absences must be made up during the week of the absence.** Parent/guardian may reschedule an attendance day during the week of the absence (Thursday students may make-up on the Monday or Tuesday of the following week).

Tardy Policy

Students should not exceed 10 minutes of tardiness. If a tardy exceeds 10 minutes it will result in an absence.

Early Departure Policy:

Students should not exceed 10 minutes of early departure. If an early departure exceeds 10 minutes it will result in an absence.
