“How to Be a Successful Parent in the Odyssey Program”

This P.A.T. (Parents As Teachers) Workshop will focus on some of the challenges of wearing the two hats of “parent” and “teacher.” We will look at the different learning styles, the importance of organization, time management, and parenting with love & logic.

NOTE: All of Odyssey’s P.A.T. Workshops are for both parent and child. However, this is a “**Parents Only**” workshop because we will be discussing parenting strategies.

**Date/Time: Wednesday, October 19, 2016, 10:00-11:30 a.m.
