

SCIENCE:

ALWAYS QUESTION. ALWAYS WONDER

***Learning the Scientific Process
through Hands-on Experiments**

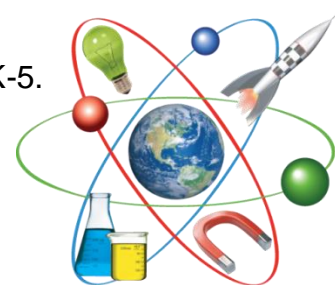

To encourage children to think, talk, and work the way scientists do, we build on their natural curiosity about the world. Science is all around us and we all interact with science on a daily basis. To support children's learning, teachers and parents must create a "climate of curiosity." It will promote students' intellectual skills, motivation to learn, and confidence in themselves as learners. It's time once again to roll up your sleeves for some more of Mrs. Kelly's super science experiments!! 😊

TO REGISTER: Go to: www.odysseyk12.org and pull down the menu under K-5.

Next, click on "Parents As Teachers Workshops."

Any questions: Call Diane Kelly at 257-0578 Ext. #7263

Email: dkelly@odysseyk12.org

Dates/Times:

Tuesday, May 9, 2017 - 1:00-2:30 p.m. (Grades 3-5)

Wednesday, May 10, 2017 - 10:00-11:30 a.m. (Grades K-2)
