Triple P (Positive Parenting Program)

For parents of children ages 2 through 11 years old

Help for parents interested in increasing their parenting skills to manage difficult child behaviors

Raising children can be rewarding and enjoyable as well as demanding, frustrating and exhausting. The Triple P Positive Parenting Program is designed to help parents manage difficult behavior problems with children ages 2 to 11. Triple P suggests simple routines and small changes that can make a big difference in families. It helps parents understand the way their family works and helps create a more stable, supportive and harmonious family. In this program, parents learn to deal positively, consistently and decisively with problem behaviors and build positive relationships with their children. ***Children do not attend this class.***
