

How to see Moodle messages.

1. First log into Moodle

A screenshot of the Moodle login form. The title "Log in" is centered at the top. Below it, there are two input fields: "Username" with the text "demostudent" and "Password" with a masked password ".....". Below the password field is a checkbox labeled "Remember username". At the bottom of the form is a blue button with the text "Log in".

2. Click on the messages button to see all Moodle messages. The little red number will tell you the number of unread messages.
