

Build a full stack future

Apply to Amazon Future Engineer Scholarship program

The Amazon Future Engineer Scholarship awards 100 high school seniors with a \$40,000 scholarship for college, plus a guaranteed paid internship programming at Amazon.

For high school seniors seeking to continue their computer science education at a four-year college, the Amazon Future Engineer Scholarship program can make all the difference for a bright and developing future.

We want you to apply, here's how:

1: Engage

Our past winners are not very different from you. They come from neighborhoods all around the nation and are passionate problem solvers, ready to build the next big thing. Meet a recent winner below:

"The Amazon Future Engineer Scholarship not only shaped my perspective on a career in computer science, but helped me solidify that I belonged in one."

Jailynn Primus
Howard University
2023

2: Prepare

Start gathering your thoughts and docs. You'll need to think about

- Some answers to some short Essay questions (1000 character limit including spaces)
- Looking around for someone to provide you a solid recommendation

3: Apply

Applications open November 1, 2021 and close January 25, 2022.

And this year, it's easier than ever to apply on our partner sites like Scholarship America or with the Common App.
